

Making your Booking...

PAYMENTS

A \$50 deposit per child is required to secure your preferred day and timeslot. Full payment is required on the first week of the school term.

If payment is not received by the due date, your reserved timeslot will be forfeited and rebooking will be necessary if you wish to continue.

Please be aware that your forfeited timeslot may no longer be available when attempting to rebook.

Refunds will not be issued for change of mind or circumstance.

Payments can be made by Credit Card, Cash or Bank Transfer (please use your child's name as a reference)

ENROLMENT & POLICY BOOKLET

Welcome!

On behalf of Aqua Tots we would like to welcome you and your family to our Swim School. Swimming is a great all year round activity and a vital skill for life.

At Aqua Tots we pride ourselves on quality learn to swim classes, with safety and survival our highest priority.

Our small class sizes and concentrate on catering to each individual child and their learning style. Our Austswim/Royal Life Saving qualified instructors are well experienced in handling different learning styles and personalities, so you can be sure your child will receive all the attention they need and more!

- Baby and pre-school swimming lessons from 4 months
- Small class sizes for more personal attention
- Heated pool at 32° for optimum concentration
- Heated change rooms
- Private lessons for adults and children
- Friendly personal service
- Family owned and run
- Lessons available Monday - Thursday, Saturday mornings
- Make-up lessons available
- Instructors kept up to date with regular training sessions
- Receive 2nd lesson ½ price when you swim twice per week

OUR PROGRAM

Aqua Tots exclusively designed program allows children to progress through the stages of learning to swim easily.

Our swim teaching strategies are developed by Australia's leading swim school expert ensuring our swim lesson planning is of the highest quality and professionalism. This ensures your children are kept engaged, actively learning and most importantly having fun.

Our small classes enable our teachers to ensure greater attention is given to each child.

The Basic Progression....

- Step 1 - Master Excellent Technique
- Step 2 - Maintain Excellent Technique while Building Endurance
- Step 3 - Speed with Excellent Technique

About Us...

OUR BOOKING SYSTEM

Our classes run in-line with the school terms. At the start of your booking program, you will choose your day and time that suits you best. This will become your permanent booking for the remainder of the term, unless we are advised otherwise. We understand that schedules change and other things come up, so we welcome you to approach us anytime during the term if you need to change days/times.

All information including class level history, attendance, payments and make-up lessons are recorded in our system.

When arriving for your lessons please check-in with our front desk staff or use the self sign-in to register your attendance. This will assist us to maintain correct attendance records and ensure that your child is placed in the correct class.

SCHOOL HOLIDAY PROGRAM

Usually, in 5-day consecutive blocks, this intensive program is a great fun way to progress and quickly improve your swimming technique.

COACHING CLINICS

We offer several different Coaching Clinics throughout the year. These are a great opportunity to focus and develop specific needs. As well as developing correct strokes these clinics include carnival preparation, dives, push offs, starts and turns.

WHEN WILL MY CHILD GO UP TO A NEW LEVEL?

Every child will need to perform all objectives confidently and consistently in their current level before advancing to the next level.

Our Instructors assess weekly and once our Instructors and Desk Staff are confident that your child has achieved all the objectives required in their level, they are passed immediately. They are presented with a certificate and given the opportunity to ring the bell to let everyone know of their awesome achievement.

We welcome parents to approach our Desk Staff to request a Progress Report at any stage during the term, to keep updated on the progress of your child's swimming. Progress Reports are available for any child swimming in an independent class.

WHAT IS THE WATER TEMPERATURE/WATER QUALITY?

Water quality is of the utmost importance to us, and we take extra special care to ensure our water is of the highest quality.

With consistent temperatures between 32 - 33 degrees, this ensures a comfortable environment for your child to learn. Our water is tested several times throughout the day and is subject to regular shire inspections to maintain healthy, clean and well-balanced water.

Terms & Conditions...

CAN I WATCH CLASSES?

We encourage parents, family members and friends to watch and see your child progress in their class. We ask that you do not interact with your child or swim teacher during class time.

Please approach the Desk Staff for any enquires for our teachers and we'd be happy to consult with them on the completion of the class.

CAN I SWIM BEFORE AND AFTER MY CLASS?

Only people in their classes are allowed in the pool. This enables optimum concentration during classes, without distraction from public swimming.

PHOTO/VIDEO FOOTAGE/SOCIAL MEDIA

We welcome you to capture these special moments on camera, although, no video footage is permitted. Please be respectful of others privacy and ensure you capture images of your child only.

Aqua Tots may take photos and videos to use on social media, in-house advertising and for marketing purposes. Parents or carers will be asked for written consent on the enrolment form. If you do not wish to have photos or videos taken of you or your child, please inform our Desk Staff directly or tick the non-consent box on the enrolment form.

CLASS DISCIPLINE

We believe the best way to learn is to have fun, but safety is our highest priority for your child when in the water, so we do have rules in place that your child must follow. Please see our Desk Staff if you require further details on our class discipline policy.

SUPERVISION

Carers are required to be on the premise at all times for children aged 13 years and under.

NAPPIES

It is mandatory that if your child is NOT fully toilet trained, they must wear a swim nappy in the pool. A tight fitting re-useable swim nappy or disposable swim nappies are both acceptable.

GOGGLES

We do encourage goggles to be worn in our independent classes. It is also a very important survival skill that your child learns to swim without goggles, therefore some activities will require your child's goggles to be removed.

Give your Children a Gift for Life

Gift Vouchers Available!

AM I ELIGIBLE FOR A MAKE-UP LESSON?.....

Scheduled lessons must be cancelled at least

24 hours beforehand.

(This enables other swimmers the opportunity to book their make-ups into your child's class)

You can notify us of your absence by:

✉ info@aquatotsswimmingschool.com.au

📘 Message via our Facebook page

📞 (08) 9454 5440

(please leave a message, if we can't get to the phone)

Once booked your make-up lesson cannot be cancelled and rebooked.

Make-up lessons cannot be taken off your next payment.

Make-up lessons must be used within the current term.

A permanent booking will take preference to a make-up lesson. In this instance the make-up lesson can be re-scheduled.

Make-up lessons are subject to availability. We do not guarantee you will be able to book a make-up at a time you desire or that a place will be available.

Make-up lessons can be booked one week in advance, except the first 2 weeks of term.
